WATERBURY KITCHEN & BATH

Bath

The bathroom is my favorite room in the house. It's where my day begins and where I unwind from the daily stresses after long days.

A bathroom should be much more than just a utilitarian necessity. Whether it's simple or elegant, spa-like or a "His" and "Hers," we will creatively design functional spaces with smart design solutions. Our designers will turn your ordinary bath into a luxurious refuge filled with character and charm to enjoy for years to come.
